

Listing ID: 380

Company Name: "Bio Universal" LLC

Description: "Bio Universal" LLC offers a wide range of "Manana" brand products. It includes thyme tea, peppermint tea, thyme, special thyme, peppermint, tarragon essential oils, syrups, tinctures, and spices, which are made of the ecologically pure and natural medicinal herbs of the Armenian flora. All our products are made from 100% natural, high quality raw materials (leaves, flowers, stems), which are gathered from the alpine mountain areas of Armenia. We want to export our products a ...
